We would like to invite your child to embark on a journey into a world where the brilliant colors of music will captivate their imagination and guide them through exciting creative adventures!

Dear Children's Academy Parents,

Welcome to the Wonderful World of Music Preludes...an early childhood music program that can boost brain power in Math, Science, and Reading that has been selected as the music curriculum for the #1 childcare center in the U.S., "The Goddard School for Early Child Development".

JOIN US...Two (2)- to six (6)-year olds...in our unique music program that will introduce your child to:

- ♪ Lots of fun songs and story songs
- ♪ Percussion and Non-Percussion Instruments
- ♪ Tempo - fast and slow sounds
- ♪ Dynamics - loud and soft sounds
- ♪ Pitch - high and low sounds
- ♪ Creative Movement
- ♪ Music Appreciation
- ♪ Keyboard Vocabulary - letter names of keys on the keyboard (Pre-K and Kindergarten)
- ♪ Music Notation (Kindergarten)

**All concepts are taught through exciting "hands-on" games and activities!
What a Great Way to Learn!!**

We look forward to introducing your child to **Music Preludes** on Wednesday mornings, beginning Wednesday, September 28, 2011, and continuing for the academic year.
